Data Controller

The Data Controller, pursuant to applicable law, is **Nicola Guidi** (Via Mera 14, 23020 Prata Camporotondo (SO), Italy, Tax Code GDUNCL86D27C623K), who may be contacted at the following details: Email: Nicola-Guidi@libero.it, telephone: +39 329 499 2625

Nicola Guidi, in his capacity as Data Controller of your personal data, pursuant to and for the purposes of Regulation (EU) 2016/679, hereinafter referred to as the “GDPR”, hereby informs you that the aforementioned legislation provides for the protection of data subjects with regard to the processing of personal data and that such processing will be carried out in accordance with the principles of fairness, lawfulness, transparency and protection of your confidentiality and rights.

Your personal data will be processed in accordance with the applicable legislative provisions referred to above and with the confidentiality obligations established therein.

Purposes, Legal Basis and Retention Periods

Your data will be used for the following purposes.

-Necessary Browsing Data:

The IT systems and software procedures used to operate this website acquire, during their normal operation, certain personal data whose transmission is implicit in the use of Internet communication protocols.

This category of data includes the IP addresses or domain names of the computers and devices used by users, the URI/URL addresses (Uniform Resource Identifier/Locator) of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the response provided by the server, such as successful completion or error, and other parameters relating to the user's operating system and IT environment.

These data, which are necessary for the use of web services, are processed for the purpose of monitoring the proper operation of the services provided.

Browsing data and technical data will be processed and retained for the period strictly necessary to ensure the proper operation of the website, the security of the systems, the provision of the requested services and compliance with any legal obligations or requests from the competent authorities.

More specific retention periods, where applicable, are set out in detail in the Cookie Policy.

-Statistical Browsing Data and Cookies

Subject to the user's consent, the website may use cookies and similar technologies to obtain statistical information regarding the use of the services, such as the most frequently visited pages, the number of visitors by time of day or day of the week, and the geographical areas from which visitors originate. For further details regarding the types of cookies used, their purposes and the methods for managing consent, please refer to the Cookie Policy available in the website footer.

-Personal Data Voluntarily Provided by the User

Personal data provided by completing the forms available on the website will be processed for the purposes described below.

1. Contact and Information Requests:

Personal data provided by the user, such as first name, surname, email address and telephone number, will be processed exclusively for the purpose of responding to the information request submitted by the data subject. Such data will be retained for the period strictly necessary to provide the requested service.

Categories of Data Recipients

Your data will be processed exclusively by personnel expressly authorised by the Data Controller and, in particular, by the following categories of authorised personnel:

1. Internal staff responsible for managing the website;
2. Any technical personnel appointed to investigate and respond to information requests submitted by users.

Disclosure

For the proper management of the relationship, your data may be disclosed to external parties duly appointed as Data Processors, including web service providers responsible for managing and maintaining the platform.

Dissemination

Your personal data will not be disseminated in any way.

Transfer of Data to Third Countries

Your personal data may also be transferred, solely for the purposes described above, to the following countries:

- EU Member States;
- United States of America.

Where it becomes necessary to transfer the personal data of data subjects to countries located outside the European Economic Area, such transfer will take place in compliance with the limits and conditions set out in Articles 44 et seq. of Regulation (EU) 2016/679.

Processing Methods

The processing of Personal Data described above will be carried out by the Data Controller using automated or manual methods.

Rights of the Data Subject — Regulation (EU) 2016/679: Articles 15, 16, 17, 18, 19, 20, 21 and 22

1. The data subject has the right to obtain confirmation as to whether or not personal data concerning them are being processed, even if such data have not yet been recorded, to receive such data in an intelligible form and to lodge a complaint with the supervisory authority.
2. The data subject has the right to obtain information regarding:
 - The source of the personal data;
 - The purposes and methods of the processing;
 - The logic applied where processing is carried out with the aid of electronic tools;
 - The identification details of the Data Controller, the Data Processors and the representative appointed pursuant to Article 5(2);
 - The parties or categories of parties to whom the personal data may be disclosed or who may become aware of such data in their capacity as the appointed representative within the territory of the State, Data Processors or authorised persons.
3. The data subject has the right to obtain:
 - The updating, rectification or, where applicable, completion of the data;
 - The erasure, anonymisation or restriction of data processed unlawfully, including data whose retention is not necessary in relation to the purposes for which they were collected or subsequently processed;
 - Confirmation that the operations referred to in the preceding points have been notified, including with regard to their content, to the parties to whom the data were disclosed or disseminated, except where compliance with this requirement proves impossible or involves a manifestly disproportionate effort in relation to the right being protected;
 - Data portability.
4. The data subject has the right to object, in whole or in part:
 - On legitimate grounds, to the processing of personal data concerning them, even where such data are relevant to the purpose for which they were collected;
 - To the processing of personal data concerning them for the purposes of sending advertising materials, direct sales, market research or commercial communications.

Amendments to this Privacy Policy

The Data Controller may change, amend, add to or remove any part of this Privacy Policy.
